Elkhorn School
Grade 9 – 12 Supply List
2020/2021

Please find enclosed a supply list developed by the teachers of grade 9 to 12 students. It is intended to allow students to come to school prepared for all courses with the materials that they will need on the first day of class. In the past, we have found students not coming to class prepared to do their daily work and/or tests throughout each semester. It is the responsibility of the students to bring the required materials; teachers and classmates **will not** be providing supplies to the students at any time, due to government regulations of no sharing of supplies.
